SITE ASSESSMENT SECTION

Dear Alan,

Please find enclosed a copy of the revisions for the Kaney Transportation, Inc. Screening Site Inspection, ILD 064006901. These revisions have addressed the comments contained within the letter approved on August 11, 1992. Please replace the old page 2-10, the HRS Preliminary Projected Score packet and the four-mile radius map with the new revisions.

Please note that the waste quantity has been replaced by 10,000 square feet. This measurement is derived from the area of the onsite surface impoundment. Also, pertaining to your comment concerning the priority of the site, the possible actions of the PRP's are currently only options at this time.

Should you have any questions or additional comments concerning the enclosed documents, please feel free to call me at (217) 524-1656.
